

STEPS Advisory Board Meeting

AGENDA

December 8, 2017 (Friday)

1:00 p.m. Arrival and Coffee

1:15 p.m. **Introductions and STEPS program update and 2017 achievements**

Joan Ogden, Director, STEPS Program; Professor, Env. Sci. and Pol., UC Davis

1:45 p.m. **Presentation of proposed STEPS 2018 projects and outputs**

- Review 2018 proposed project list sent to board members in advance
- Synthesis products for STEPS3 (Book, White papers...)

2:45 p.m. **Discussion of STEPS 2018 projects**

STEPS board member input is important in shaping the 2018 program. We ask that you review this project list with several questions in mind:

- Which projects are of keen interest to you and your organization?
- Which projects would you like to closely follow over the next year?
- For which projects could you offer up expertise, data, or other relevant information?
- What kind of synthesis products should we prioritize?

3:45 p.m. **Round table wrap up**

4:00 p.m. Adjourn

We hope you had a productive time with us.
Thank you for your attendance and input!

Made possible by STEPS Consortium Members
